WELCOME TO UPHAM SCHOOL.

Upham School is a small, friendly school where pupils learn through lots of hands on activities.

We think of ourselves as a family.

We have strong links to the church and local community.

It is very sad when our Year 6 pupils leave us but we know that we have done our best to make them into kind, caring & clever children during their time at the school.

FAITH

Upham School has strong links with the church.

Each morning we start with prayers in morning assembly. Throughout the year we take part in many church activities and have special services at Easter, Harvest Festival and Christmas.

Art & Music

Art and music are very popular at Upham School. Class 3 experience different instruments each term and perform a Listen To Me concert for other pupils and parents at the end of term.

Everyone also loves Art and it is maybe one of their favourite lessons. We use lots of different art methods and encourage the childrens' creative side.

Pupils put on many productions during the year finishing with the Christmas show in December.

SPORT

Upham School pupils take part in many different sports activities. We have lots of sporty equipment for the children to use. We also compete with other schools in sports like swimming, tennis, football and hockey.

Children love the sports day in Summer Term when the whole school joins in.
