Encourage Independence

Upham

Church of England Primary School

It's nurturing environment and focus on values, which gives the children guidance and aspirations.'
(Class 4 Parent)

Welcome to our school.

Upham School provides a nurturing environment for children to learn and play, to teach them how to grow into caring and kind young people.

Our school aims to help our pupils learn through a wide range of classroom and activity based lessons.

As well as teaching core subjects, we have strong links to the local community and church and take part in many events to give pupils many experiences and an enthusiasm for learning.

SPORTS

Sports activities play a large roll in the development of pupils at Upham. In the Summer Term, children have Sports Day where the compete in many different events.

We have a big playing field, playground and Challenge Trial which the children use daily.

Upham also participates in many inter-school sports competitions with all levels of ability welcome to join in.

CHURCH

Since the school was founded in 1814 we have had a strong link with the local church and community.

We do services during the year, like Harvest and Christmas. Pupils walk from school to the church in hi-vis jackets. Year 6 do their own Leavers Service in Summer Term and the church bells ring as they leave to celebrate their time at the school.

Opinions of Upham School

“Upham School is brilliant because when we learn about lots of things and do activities to try them for real.”

Year 3 Pupil

“I like Upham School because all the teachers are really nice and kind and you get to have lots of fun whilst learning”

Year 4 Pupil

“Upham provides a wonderful and caring environment for young minds and characters to develop to their potential”

Parent of Year 3 Pupil
