

It's a great pleasure to welcome you to Upham Primary school.

At Upham School we firmly believe that the caring ,family ethos of our school provides a very special environment in which all children can flourish.

We all work as a team. Our school is like a big family everyone caring for each other.

There is less than a hundred pupils.

Learning

This is what its all about, finding the best way in which we all learn.

We try to use different ways of doing this and being hands on and practical where possible. We have regular field trips linked to our topics.

We like to display the work our children do and involve parents by having view times.

Arts and sports

The Arts

(ie dance, music, drama and visual arts) plays a big part in how our children at Upham learn.

We believe that pushing your confidence and performing will help you grow stronger as a person.

*“I always feel so nervous,
but i love it”*

We learn to play different instruments in class 3, in the hope a tasters for children who might want to develop this further.

The sports

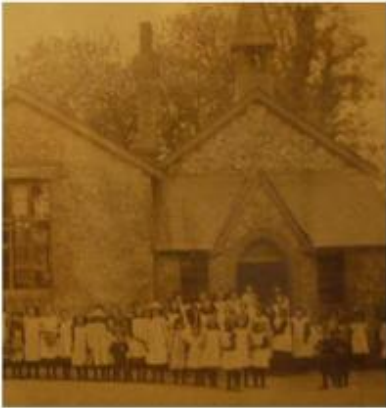

Fitness and health help keep us focused and healthy and the children love it!

Working together as team or by them selves helps to give the children challenges and achievements in their learning.

The faith

Our school was founded over 200 years ago in 1814 by the National Society and Christian foundation is a key part of our school.

We always attend upham church at key events in our school calendar

E.g Easter, Harvest, Christmas.....

Teaching the children different values of life will help them to make the right choices in future.

What others say about our school...

“I love going to Upham school, lots of fun and i have made lots of friends”

“My son has grown into a confident polite boy loving school life”

“Upham school is amazing because the teachers are really nice”

We welcome you to come and experience Upham for yourselves.....
