

Life Drawing

For this week, you are going to create a life drawing. You can use any medium (material - pastels, paints, pencil or ink).

You can take a photo of an animal (perhaps a pet) or use a photo from a website.

I chose to draw a lynx in ink because I like this medium. I sketched in pencil first to get an outline and then created the shading with a black ink pen.

I look forward to seeing your artwork.

TOP TIP

Watch out for smudges if you use pen!
