

The white van

Chapter one

"hey Lilly have you heard the news?" Asked Lilly's friend.

"no what about it?!" said concerned Lilly.

"Millie was taken by a white van!"

"oh no, that's horrible Amily!"

"I know, we all need to stay safe because I don't want to lose you to! You are my only friend. I think there's an assembly about it to."

"okay, see around!" said Lilly.

At the assembly, Lilly and Amily felt sad and on the verge of crying.

The hole sea of children were as quite as a feather falling to the ground, the sound was a few whispers going across the room. The assembly went like this.

“Class today we have a special guess!” echoed the head masters voice in a loud strong voice, “so keep your ears open and if you know anything else then tell the police!”

His voice echoed across the room like a army calling for help. Suddenly two police men appeared in all blue and said there speech.

At the end of school Lilly and James walked home together silent.

Chapter 2

As Lilly and James walked home their parents gave them a massive hug and asked

“You have probably heard it at school in the assembly.”

Said mum.

“What, what happened?” Asked Lilly.

“About the white van. You need to be careful.” Said Dad.

“Yes mum. Yes dad.” Said Lilly and James.

“If you see it run!”

In a flash James and Lilly were upstairs worried about everything.

Chapter 3

The next day Lilly and James are told to take a different root that no one really goes down. So they set off at 08:00 am.

"Are we nearly there yet?" asked Lilly "this has been taking for ever"

"Shut up it's only been 10 minutes..." Suddenly James stopped dead in his tracks as a white van with scrapes pulled up.

"They need a ride." A unknown voice asked. It seemed to know that they needed a ride.

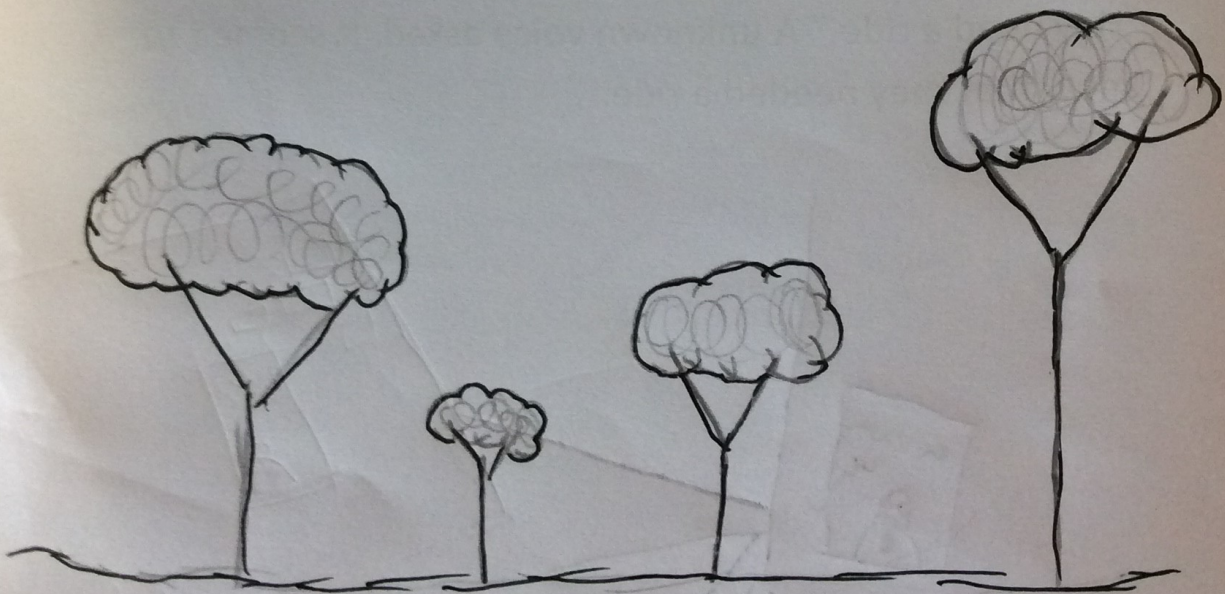

Chapter 4

"No where okay." said James.

"Okay." said Lilly.

"noo....." said James as a strong person pushed them in from the back.

Offfff. There was a loud bang as they crashed to the floor.

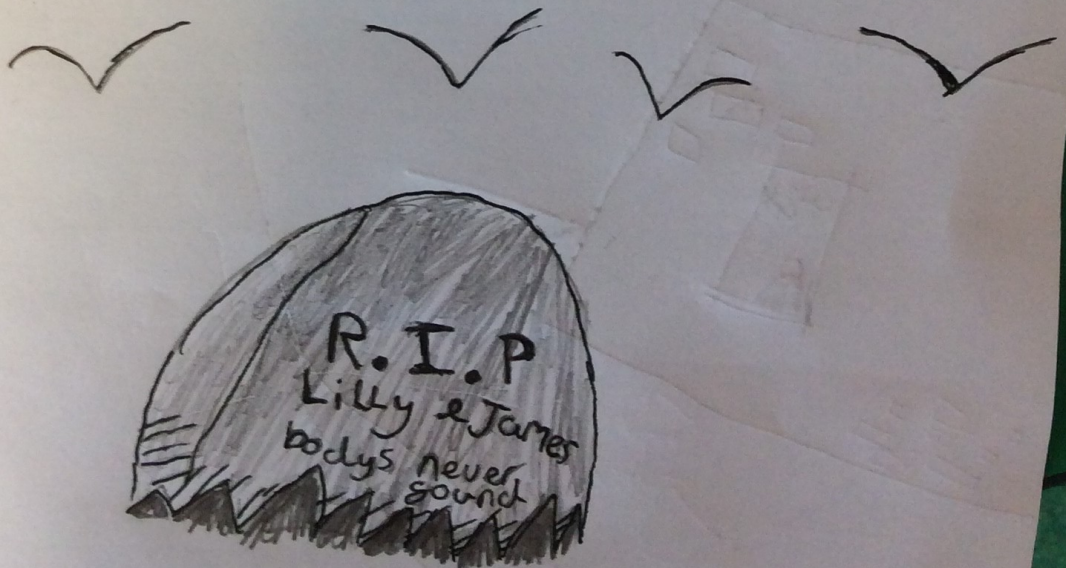

Chapter 5

Suddenly there was a scream of doom and help but no one was there. They where dead. Washed of the face of the world. To never been seen again.

Always listen to your parents they only want to keep you safe.

THE END or is it

"hey Lilly have you heard the news?" Asked Lilly's friend.

"no what about it?!" said concerned Lilly.

"Millie was taken by a white van!"

"oh no that's horrible Amily!"

"I know, we all need to stay safe because I don't want to lose you to! You two or now one are my only friend. I think there's a assembly about it to."

"okay, see around!" said Lilly.

What will happen next read on to find out.
