

## The wuzzy wasps of Wasperton

The wuzzy wasps of Wasperton  
Are buzzing round the plums  
And sucking all the juicy ones  
Before somebody comes.

The wuzzy wasps of Wasperton  
Are buzzing round the pears  
And choosing all the ripest ones  
They think the orchard's theirs.

The wuzzy wasps of Wasperton  
Steal fruit fit for a king.  
But don't disturb them if you go  
Those wuzzy wasps can STING!
