## Class 2 Little Wandle - Take Me To Spelling

### Spring Week 1

This week we have been learning why some words are spelt with *kn* and *gn* for 'n' and *wr* for 'r'. We learnt that it was because, a long time ago,

people used to pronounce the first letter as well as the *n* or *r* in words such as *knight*, *gnaw* and *write*. We have also learnt homophones of the words. Below are some of the words we have been writing, if you choose to, you may practise writing the words in the table.

knock	
knit	
know	
knee	
wrap

Tricky words

## Spelling sentences

Choose *one* of the following sentences to practise. You may write it on the line below. Next *Friday 16th January* we will slowly dictate the sentence for the children to write. This will happen in small groups.
