Speech Punctuation

Write a short conversation of your own between Charlie and Grandpa Joe when Charlie found the golden ticket.

Punctuate the speech using **inverted commas**, **commas** and **full-stops** correctly.
Remember **new speaker, new line**.
If you're not sure, check some conversation text in the book to help you get it right.

Can you write what you think Willy Wonka will say to the children when he meets them? What will the children ask him?
Remember to punctuate your speech correctly.
