

Going Shopping

From Chips and Jessie
by Shirley Hughes

Let's see, now, cheese, eggs, tomatoes, biscuits, washing powder, cereal...

Come on, Chips, leave the buggy and bring Gloria inside!

BOREDOM

It's Jessie's dog, Barkis! Hello, Barkis, good dog.

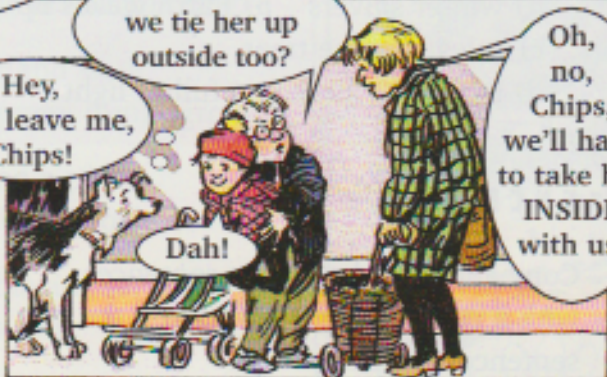

Da, da doggis!

CHIPS! How glad I am to see a friend!

Hey, don't leave me, Chips!

Can't we tie her up outside too?

Oh, no, Chips, we'll have to take her INSIDE with us.

Dah!

Well, I like that! I'm JUST as well behaved as that Gloria.

You can get all the things on this list!

O.K. Hold tight, Gloria!

I'll get the rest - see you at the checkout.

Wheeee!

Hello, Chips!
