

Back in time!

One day in

Upham primary school Ava and Kyle were on a school trip to the Mayans ruins and all the children were in partners and they were given a treasure hunt to do independently Kyle was so excited to start for 3 reasons. 1 he was with his best friend Ava and he was never allowed to go with Ava because they always talk in class but Kyle swore he would be sensible any way. 2 he loved treasure hunts and 3 he absolutely loved the Mayans. It was a win win WIN for Kyle. Right where were we oh so Ava and Kyle set off for the treasure hunt the thing is the tour Guide set different treasure hunts for each partner as Kyle new the most answers to the quiz he got to pick which treasure hunt and he of course chose the one with the temple in because the temples were Kyles favourite bit about the Mayans so the first place was the coco grinding station.

A couple minutes went by and most off the teams were still on the first clue and Kyle and Ava were just walking to the last place the temple were the prize was but Ava forgot her water bottle from the last stop and ran back but Kyle couldn't wait he ran off to the temple. The temple was a light grey stone but the top was all crumbled and there was gold carvings in the sides it was a beautiful sight.

And what he thought was an optical illusion to stop him getting the prize and just as Ava caught up whoosh Kyle was sucked into a portal Ava wasn't thinking and jumped into the portal before it closed.

"Aaaaaaaaaaaaaaaaaahhhhhhhhhhhhhhhhhhhhh!!!!" They both shouted and doof!! "Oooooowww!" Kyle exclaimed "wow!" Ava whispered "don't make fun of me when I'm hurt." "no silly Ava said "look." Kyle looked around." I think I'm dreaming," Kyle pinched himself. "Same" Ava said, she pinched herself too. "No were not dreaming Kyle!" Ava said, wile Kyle was still pinching himself "it's no use we're not in a dream, you see that illusion was a portal. Now all we need to do is find out where we are, and find out how to get back to our school trip, when the teachers can't find us they will probably call the FBI to try and find us but they will never find us

because we are back in time!" "Calm down we will do all that it's probably just a dream and we can't wake up. But this place is so cool!" Kyle reassuringly said "you don't need to calm me down you just need to find out where we are first so do you know where we are then" Ava said "you don't know where we are!... well I do!" Kyle said proudly "WHERE ARE WE" "we're in the old Mayan times we need to find the chief and see what he can do" Kyle explained "let's go find the chief! I think that him," Ava said excitedly "let's go see," Kyle ran over to the man who looked like the chief and asked him "Do you know where the chief is around here?" "Umm yes but who are you." replied the strange man replied "it's a very long story should I tell you" Kyle said but Ava quickly interrupted "that won't be necessary .Will it Kyle" "uumm yeah"" so we are looking for the chief "there over there" Kyle said.

"Hello" Ava said

"Hello who are you and what are you" replied the chief

"So-"Kyle said "no time to explain "ava interrupted again" all we need to know is do you know how to go to the future there was a temple in one of the history places and now we are stuck here!" oh don't worry I've had this happen 2 times before dodgy old wrecked temple" and then the chief started praying in a very odd language "bhujykrsiyurikgkykfaewhykubhjcjaintch wait what year do you need to go back to "

"Oh 2021 "said Kyle

"I always get this par messed up soo umm oh bdhgsutscbgurfzbskjdmvgehbzrfk 2021 huycdfgizhkufgncyvfcbyhudiv"

A second later Kyle and Ava were suddenly back in Hampshire Mayan ruins
