

Christmas day 2020

YAWN!!! I woke up in excitement that it was Christmas day! I had waited a whole year for this day and it finally came. My mum said to me the earliest I was allowed to wake her and her boyfriend up was 7:30 so I woke up at 5 and went and stood outside of my mums bedroom door at 7:29 and as soon as it struck 7:30 I jumped on the bed and said "MORNING! ITS CHRISTMAS WAKEY WAKEY I WANT TO SEE IF SATNA HAS BEEN QUICK!!" My mum and her boyfriend finally woke up and I ran to my stocking and jumped back onto my mums bed! I must say I did get some lovely presents I must say. It was 9:30 when we finished opening ALL of our lovely gifts. My favourite gifts were my iPad, horse riding helmet, hair curlers and my Nike air force ones. My mums favourite present was her Pandora bracelet and my mums boyfriends favourite present was his stereo for his new van I think. At 10am I had a bath with my amazing glittery gold harry potter bath bomb. About 11am we went to my nanny and grandads to get MORE presents. This may sound very strange and weird but I got an electric toothbrush from my uncle because I always talk about how bad I would like one and how cool they are so my uncle who lives with my nan and grandad kindly got me an electric toothbrush, now my teeth are going to be extra clean! From my nan and grandad I got loads of little bits and bobs but the main thing I got was a really cute pastel pink jump suit it is so fluffy! I absolutely love it, its amazing. So I must say I really did have an amazing Christmas but for some reason it just went so quick this year! I hope everyone else had an amazing Christmas!

MERRY CHRISTMAS AND A HAPPY NEW YEAR
