

Dear Glorious Hun Hunahpu, Father of the Hero  
Twins,

Thank you for supplying us with food. Our families  
are so grateful for all the tortillas and guacamole  
you have given us.

We had a brilliant harvest but still some do not  
have food. Why is it that O Great Hun Hunahpu?

Please give us a better harvest next year and give  
us our brilliant maize. Give us a year of abundant  
crops.

We understand you may not be able to do this,  
but in return for your mighty deeds we shall offer  
more sacrifices to you once the New Year begins. I  
will make sure of this, for I am the priest.

Please accept this offer your Lord.

Amen
