

The big find

On 2021 may the first me rufus Skerritt had found something amazing it was a TIME TRAVELER I went in it and set the time to 1799. And of I went BOOOOOOM! CRASH! BANG and suddenly the booming and crashing and banging stopped I peeped out and to my astonishment I was somehow I was in a different place in a different town and in a different maybe in a part of the world! I was on a beach a very rocky beach I went to go and see the rocks and on one of the rocks there was a snail sort of thing it was a amonight. There was lots of them they where everywhere I grabbed every one of them and that was a lot them then I realiest I had no money from back then I had to to sell the amonights get money and then I saw a massive lump the sand. I could not carry it so I went to go and sell my amonights I sold them all by

midday and then I thought could hire some one to get the big lump out of the ground and so I hired some one to get the lulp out they got it out and it was a

A T REX SKULL!
