

Day at the beach

Mum! Mum! Mum! There has just been a massive storm please can I go out to get some fossils. As dad always said when he dies we will need some money and if we find some really big and good fossils and go and sell them we could get some money to live off of. Please can I go out it will help us with money. 'fine Mary but you HAVE to be home by 5 or you are never ever going on your own again! You hear that my luv'. Yes yes mum, I promise I will be back before 5 :) cross my heart hope to die that I will be back at 4.59 haha!

10 minutes later...

'bye mum I'm going to the beach now, love you lots.. see you at 4.59.'

Wow wow!! I can already see some amazingly big fossils I'm going to find. Lets go jump on some of the rocks I hope I crack some rocks.

Mary says in shock 'OMG I JUST FOUND A MASSIVE FOSSIL THIS IS UNREAL!! I HAVE TO GO AND SHOW MUM!'
