

MARVELOUS MAYANS

Introduction

Have you ever wondered about Mayan gods, or Mayan food or even headresses? Read on and you will see.

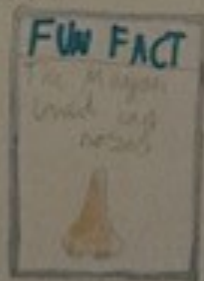

Glorious Gods

There are about 200 Mayan Gods.

The most important Gods are, Hunab Ku, Chaac, Itzamna, Ixchel, Ek Chuaj, K'atib, Kukulkan, Hun Hunuipen and the Maya Hero Twins.

Hilarious Headresses

Headresses were quite important as they showed the social status of the wearer. The less important the smaller the headress.

Fabulous Food

The Mayan ate a lot of food that we eat now. They ate vanilla, sweet potato, tomatoes, maize, chocolate and more.
