VOLUNTEERS

FUS is a group of volunteers that exists to support the school and its community. We aim to provide fun events and activities for the children and their families, as well as raising funds to support the school in enhancing the children's experience.

We understand everyone is busy, but many hands make light work!

Due to your support, not only are we raising important funds to enhance the school facilities, but we can continue to put on fun events for all the children to enjoy.

If you are able to help in any capacity, please reach out to a member of FUS or via the school (FUS committee details on noticeboards or available from school office).

FUNDRAISING

Fundraising total for 24/25 to be confirmed in September. All monies will be donated to the school to replace the current iPads. Each year FUS liaise with Mr Woolley to agree how we can best support the school; for example, previous fundraising has gone towards the challenge trail upgrade. This year's target is one of our more ambitious, but worthwhile!

FUS AGM will be held in September – anyone can attend and details will be shared after the summer break.

We hope everyone has a wonderful summer – see you in September!!
