

Parents, we need your help!

To make this Christmas Fair a successful and fun-filled event we need more FUS volunteers.

This could be from volunteering on the day and running a stall, to helping to create and organise materials from home beforehand. Do you have a job or hobby that may be able to help us? Such as signage printing, crafting, baking etc. for this event and future events. If you would like to become a member of FUS the more the merrier, more hands make light work.

Return this form to the school and please tick any you are willing to help us with and provide a name and telephone number. We will set up a messaging group for the Christmas Fair only, where we can keep everyone in the loop.
