Multi Skills has been going great this year with an introduction of new sports for the children. The children have been learning different skills, new sports and enjoying the fun games each week. After Summer we will be introducing many new fun games and sports for the children to enjoy such as ultimate frisbee, tri-golf and much more. 20 spaces will be available for this club on a first come first serve basis.

The football afterschool club has been super busy each week with the children enjoying practicing and improving their football skills.
