Upham Primary School

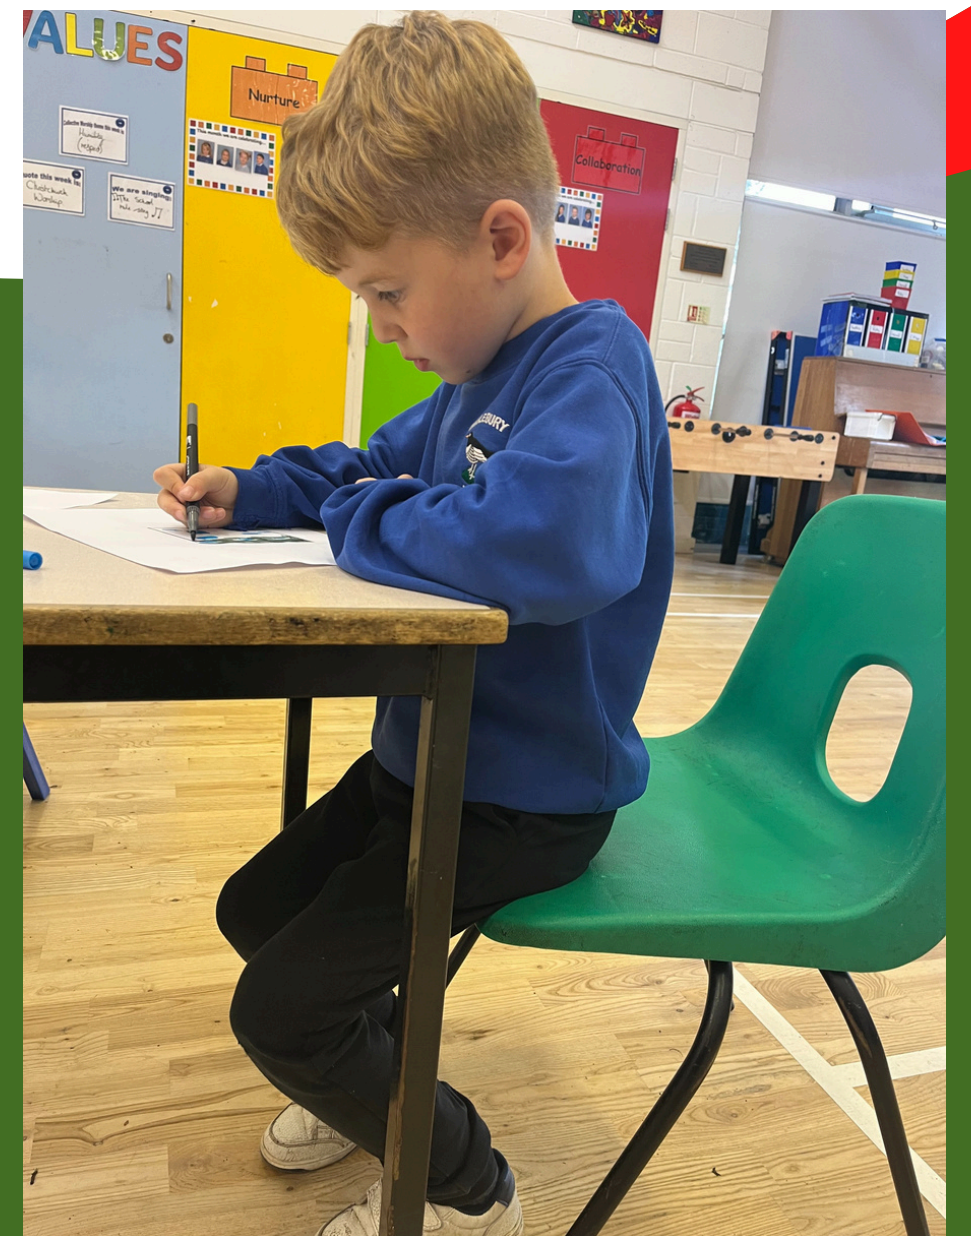

Wraparound care Sept - Dec 25

We have had a great year in the wraparound care. With the children enjoying many of the activities we do each day. The children have certainly enjoyed the new arts and crafts area along with the introduction of many new fun games and activities. We look forward to introducing the Year R pupils to the wraparound care and welcoming back everyone after Summer.

Next term

We have been very busy making improvements at the club to benefit the children. Next term we will have many more arts and crafts for the children to make and draw. We will also be adding board games for the children to enjoy. For Sports we have loads of new activities which we look forward to showing to the children.

Club Information
