

**This week, the children have completed their statutory phonic screening test and we are super-pleased with each and every single one of them. Results will be shared with you in the end of year report, later in the term.**

This week's home learning task is to practice writing a sentence, spelling each of the words correctly, especially those tricky words.

Choose *one* of the following sentences to practise. You may write it in your green homework book. Next **Friday 26th June**, we will slowly dictate the sentence for the children to write. This will happen in small groups.

**My Mum is going to come today.**

**My Dad and my sister should be coming to see me today.**
