Photo: Buddies: Showing just how comfortable Year 6 and Year R children are together at playtime!

In collective worship this week we have been thinking about the Winnie the Pooh stories! The publication of the original AA Milne book was 100 years ago so this is a big birthday to share! We've been thinking about what the stories can teach us about what friendship means – for example Rabbit's patience when Pooh selfishly eats all his honey, Piglet's trust in Pooh when he's trying new things that scare him and Eeyore's compassion for Tigger when the others find him annoying. They demonstrate Christian values too, such as the grace Piglet shows by helping Pooh when he needs it rather than waiting for him to ask. Why don't you watch one of the many stories (loads on Youtube) and have a chat about what the story teaches in terms of friendship and enjoy some of the wonderful stories together.

New Certificate

We used a new certificate in our Celebration Worship today which our new school council have helped create. School council wanted a certificate that focussed on the school subjects so their progress in these areas was clear. They helped design the imagery and the 'star' motif. The first children were awarded this today.

During worship staff always explain to the children why they've been chosen for any of our many certificates and throughout it's the journey that is praised – not for the outcome but the effort, thought and problem-solving children have demonstrated. This is part of the 'value all achievement' element of our vision; we praise as many children as possible – just today I gave out 67 certificates!!

Dormice & Badgers Autumn Walk

Dormice Class (YrR) and Badger Class (Y5&6) are hoping to have an Autumn walk around the village during the day next Friday – weather permitting. Badgers children are going to support the Year Rs and help them share the experience. Children don't need anything for this, it's just so you know in case you happen to spot them out and about!

Individual Photos

School photos are happening next week – in the afternoon of Thursday 22nd Oct. We are using a new photography company this year as parent feedback regarding previous images was not always positive – we'll see how these feel. We'll send details out to you so you can view them as soon as we can. All of the siblings in school will have photos separately and also together.
