

Photos: Dormice Class feeding animals on their trip

**Upham CE (Aided)  
Primary School**

**Friday 24 April**

YR Y1&2 Y3&4 Y5&6

Dormice Class (Yr R) had a lovely day at the farm yesterday. It was a beautiful day so a picnic lunch in the shade of the trees was very welcome. They met lots of different animals; fed the goats, collected eggs from the chickens, held chicks, bottle fed calves, held guinea pigs and saw a family of pigs and piglets! All of this learning is about building awareness of farms and farming as a process, an important thread that runs through our whole school curriculum. I hope they told you about all of the experiences they had when they got home!

### Website Upgrade

Our school website is going through a system upgrade – a few changes will be noticeable, such as drop-down menus. Over the next 48 hours, you might notice changes and you also might need to carry out a ‘hard refresh’ when next visiting – just press CTRL & F5 or CMD.SHIFT & R and all should be fine!

### Bird Box Update!

Our family of blue tits are still diligently incubating eggs. Having done a bit of research, the eggs must be due to hatch at some point over the next 5 days so next week, the children should be excited to watch the feeding starting!

### Road Closure Update

Not really an update – more a reminder, that the works are due to continue for 7 days until Wednesday 29<sup>th</sup> April. If we get any updates, we will pass this on via email. Thanks to everyone for their patience at drop-off and collection. I’m sure it’s a topic of conversation amongst parents, and by conversation, I mean complaining! It’s the same for staff! It’s a bit of an eye opener though to those schools who are in cull-de-sacs and one-way approach is the norm for them and not just a short-term headache!

### Wyvern Celebrating 60 years

Wyvern College are celebrating being on their current site for 60 years and are inviting ex students and teachers for a coffee morning on Friday 8 May 11.30am/ If you are interested, a flyer was attached to the email today – contact s.mcnay@wyvern.hants.sch.uk
